Court etiquette

Please do not hang on the net at any time (portable nets tend to collapse if you do)
Please shag your own balls quickly so they do not go into the water
Please be at the court 2 minutes before your game or duty is to start (we will roll on/off)
Other courts will be available for warming up

Rules

For 2s, standard beach rules are in effect (no "tipping", block will still count as a contact, etc.)
4s will follow indoor rules except for rotation: players can play anywhere on the court and need only rotate servers
Round Robin games are first to 40 point OR 20 minutes, whichever occurs first
In the round robin, the first team to 40 points wins: you do not need to win by 2 points
Playoff matches are best 2 of 3; the first two are to 21, win by 2; the 3rd is to 15, win by 2
In sets to 21 or to 40 points, teams switch sides of the court when the combined score is a multiple of 7
In sets to 15 points, teams switch sides of the court when the combined score is a multiple of 5
If a play is in dispute, replay the point
Call the score each point so that there are no disputes
The winning team is responsible for bringing the scoresheet to the gazebo
