

Here is the draw for this weekend. Hopefully the grounds will dry out as they got a bit of rain today.

A couple of notes:

- 1. We have had to accommodate cricket at Bishopscourt on Saturday so we will be using the top fields 5 & 6. Please be aware of this with children and walking to and from the clubhouse. On Sunday we will be back using the fields in front of the club.**
- 2. The clubhouse is open from 9am on Saturday and will have TV on, the bar is open and changing facilities are available. Please see Alex if you want a changing room for your team (especially our travelling teams who may not have a tent)**
- 3. The club will be selling hot and cold food both days as well as having the bar open. Please note the club liquor licence does not allow you to drink on the fields so please enjoy your social beer after the games in the club.**
- 4. Fitbits (and other step trackers) need to be covered with an armband or sweatband if you wish to play with them on. The referees will enforce this rule. As per TNZ rules NO Jewellery to be worn and shoes should be appropriate.**
- 5. We will have a coffee van on site on Saturday and with this crazy weather we have had they have hot and cold drink available.**
- 6. Physios / Doctor will be on site but if you need strapping before a game please bring your own tape or a charge will be made to cover tape costs.**
- 7. Games start at 10am. I will be on site by 8.30am. Please do not set up any tents/marquees until you see me to work out the site.**

No managers meeting but we will be doing a team check during the day.

See you on Saturday

Alex Buttery
