**THE GAMES**

The Otago Community Trust New Zealand Masters Games is the largest annual multisport event held in New Zealand. From the 1st to the 9th of February 2020 the Games will return to Dunedin for the 15th time. The Games brings together over 5,000 people from around New Zealand and overseas to compete in a range of sports. To enter the Masters Games you do not need to be an elite athlete, nor do you need to qualify. Anyone of masters age can enter the Masters Games. Medal ceremonies are held for all sports, so go for gold – or just compete for fun!

The Masters Games brings people together to compete in sport, but for many, the nine days of fun, entertainment, comradeship and friendships made are equally as important. The Games Hub is the central location for day and night entertainment, some medal ceremonies, and the ideal spot to catch up with friends old and new. People compete in the Masters Games for various reasons, to stand on the podium, improve their personal best, enjoy the social atmosphere or just prove they can do it. Whatever the reason make sure you’re part of the fun in 2020.

**MASTERS AGE**

The Masters Games is for athletes of masters age, however every sport is different with respect to the age at which athletes become masters. In swimming you are a master at 20 years and generally a master in most sports by the time you turn 30. With participants ranging from 18 to 95 years and beyond there is something for everyone.

**THE SPORTS**

With over 65 sports to choose from, and more than 300 separate events, the Masters Games is for all people. From running to jumping, kicking to putting, riding to thinking, whether there is skill, accuracy, energy or just a willingness to give it a go, we have it covered. Medals are awarded in each sport, in different age categories and in some cases social and competitive grades. Whether you are an experienced athlete, returning to a sport or just a beginner — there is a sport for you at the Masters.

Check out page 6 & 7 for the full Sports Schedule.

**GAMES HUB**

The Masters Games is just as much about the social events as it is about the sports. The place to head is the Otago Community Trust Games Hub, which is central to many sporting venues, accommodation, restaurants, bars and entertainment. You’re in for nine fun-filled days and nights in the Games Hub. We’ve got new sports competing in the Hub, some medal ceremonies awarded, and of course, with all the day and night time action, this will be as much fun for spectators as Masters.

Evening party-goers will head to the Hub to check out the top entertainment, boogie on the dance floor, laugh it up at the Comedy Gala, or test their knowledge at the Quiz Night. With an amazing line-up of entertainment throughout the week each night is an event in its own right! The Games Hub is the place to get together, meet up with old and new friends and celebrate your achievements. This year will deliver a number of unexpected surprises, so what are you waiting for?
FUN EVENTS
Aside from the traditional sports we have a number of Fun Events on the schedule. If you think you can tell a Sauvignon Blanc from a Pinot Gris, want to have a go at Curling, or try out a lesser known sport such as Cornhole — add a Fun Event to your entry. Fun Events give you the opportunity to try new sports, test different skills and are great social occasions to compete against, or team up with friends. Whilst medals are still hotly contested, the biggest factor of the Fun Events is having fun! Look out for the Fun Events Icon to identify these events.

PARA EVENTS
Para athletes have been able to compete in the Games in some sports over the years. In 2020 we have introduced a number of Para Masters grades into some of the existing sports events. The Para events offer athletes that have an impairment the option to compete in the Masters Games in a Para division. Sports on offer include Archery, Basketball — Wheelchair, Bowls, Petanque, Crackerjack, Cornhole, Darts, Power Lifting, Indoor Rowing, Swimming, Indoor Triathlon, and Beach and Indoor Volleyball. Look for the Para Icon to identify these events.

Masters VIP Upgrade
All entrants have the opportunity to purchase a Masters Games VIP Upgrade. For $60.00, Masters VIP’s receive a range of special extras including a Meet the Ambassadors Breakfast, a Masters Games gift, an upgraded photo package of up to 10 digital images, reserved seating at the Comedy Gala and one Movie Night and much more. The Masters VIP Upgrade is an added extra that is pre-purchased at the time of entering.

Photos
CMG Sport is the official photographer of the Masters Games 2020. CMG will be taking photos at a number of the sports and will have a stand in the Games Hub where you can view and purchase photos. CMG is offering an Early Bird photo pack for $30.00, which provides purchasers with five high-res digital images, with at least one guaranteed image of the entrant. The Early Bird Photo Pack is an added extra that is only pre-purchased at the time of entering.

Volunteers
Want to be a part of the fun at the Masters Games but not compete? Why not join our team as a Volunteer. Volunteers are essential and play a vital role in the Games. Without these fun and enthusiastic people, the event would not go ahead. Come and mix your life skills and gain additional work experience while you enjoy working as part of the team. If you aren’t competing or have time outside your sports schedule to help out, then we would love to hear from you. Visit www.nzmg.com or email dunedin@nzmg.com for more information.

Dunedin plays host to the New Zealand Masters Games 2020. Situated on the east coast of New Zealand's stunning South Island, Dunedin warmly welcomes visitors, surprises them with a kaleidoscope of experiences and sends them on their way with a little piece of the city in their hearts. Dunedin is the “wildlife capital of New Zealand”. Visit the world’s only mainland breeding colony of Royal Albatross at Taiaroa Head, the tip of the Otago Peninsula, 40 minutes’ drive from the central city. Tours to see rare yellow-eyed penguins, fur seals and sea lions, shags and gannets ensure a quality, caring experience for you and these precious creatures of wing and water.

After active outdoor excursions you can then soak up the historic ambience of the city’s Victorian and Edwardian architecture, some of which homes a thriving theatre, restaurant and café scene. Famed for its musicians and artists, and designated as a UNESCO Creative City of Literature, Dunedin also offers a rich array of cultural experiences for you and your Masters Games friends.

We look forward to welcoming you to our great small city.

2. **Injury Procedures**  
In the event that I sustain an injury or illness whilst participating in NZMG, I authorise the appointed sports injury personnel to perform and administer such emergency medical attention as they think is necessary. I agree that failure to comply with the designated rules may result in my disqualification from NZMG, and that I am responsible for any consequences for failure to observe the rules and regulations.  

5. **Entry**  
I am aware that some sports have a limit on the number of participants and Sports Partners reserve the right to accept entries in order of receipt. We believe that sport should be for everyone. But sometimes, children from disadvantaged backgrounds can miss out.

That’s why we established Sporting Chance, a fund administered by Sport Otago, to help support kids by paying for their sports fees or getting them the right footwear.

Since 2005, Sport Otago has provided $255,940 to 2,730 Otago children to play over 60 different sports.

Your donation means we can give even more opportunities to more children to develop a love of sport, and spark an interest that, like you, can last them a lifetime!

Your donation to Sporting Chance helps support families in need and puts smiles on kids faces by allowing them to play!
