Great sport, Great mates, Great memories!

Welcome

The Downer New Zealand Masters Games, the largest annual multi-sport event in New Zealand, invites you to play at our place: Whanganui, 2021.

With over 50 sports to choose from, the Downer New Zealand Masters Games is the epicentre of competition, camaraderie, and celebration for anyone from 20 years to triple digits. The very place to ignite passion, feel the joy of a chosen sport, and try a new one. The only qualification you need to enter the Downer New Zealand Masters Games is to meet the minimum age for your sport.

When the sun goes down each day, it's time to celebrate. Competitors and friends converge at the Games Hub, the War Memorial Centre, set in the heart of city, to party and share THAT moment. Experience feeling alive in the best possible way.

Join us, solo or with your friends. We promise there are plenty more friends to make over nine magic days and ten nights of sport, entertainment, and action. Most importantly, the Downer New Zealand Masters Games is about taking part your way, hard out or social.

Now, browse the Entry Guide, pick your sports, and enter. It won't be the same without you!

You must have attained the minimum age for any sport or class that you have entered or may yet enter, by any qualification date which has been stipulated in the Entry Guide or published on the NZMG website. In the absence of any age qualification date you must, by 5 February 2021, have attained the nominated minimum age for competition in any sport or sports or in any class or classes that you have entered or may yet enter. Your failure to produce acceptable evidence of your age if and when you are requested to do so by NZMG or The Sport may result in your disqualification from an event or from NZMG.

7. Suspensions

In the event that you are subject to any suspension or ban imposed by any sport in which you are entering, you will make such information known to NZMG and The Sport with your registration form. Your entry may be refused or cancelled by The Sport due to any suspension or ban.

8. Drug Policy

You agree with NZMG's policy of condemning the use of classified substances and methods for the purpose of performance enhancement. NZMG recognises that some classified substances may be medically prescribed and that the use of these substances may be permitted on the supply of suitable medical evidence.

9. Promotional Material

NZMG has the unconditional right to use at its discretion photographic material of you in any form of media, art, advertising, trade, visual documentary, promotional material, merchandise or film coverage without any compensation to you or approval by you.

10. Collection of Information

Information is collected and held by NZMG. Information collected will be forwarded to the individual entities organising Games events. Your name and postal address may be forwarded to Games sponsors and to the organisers of NZMG in Whanganui, who may use them for direct mailing purposes. You have the right to request access to and correction of any personal information held by NZMG.

11. Fees

NZMG Registration fee and sport fees must be received in full before your application for registration will be confirmed. All fees are payable in New Zealand dollars via the methods prescribed on the event website and full details of fee inclusions can also be found on the event website www.nzmg.com. Some sports may require additional fees for equipment hireage and/or to cover sanction fees set by an international federation. I acknowledge that fees do not include any form of insurance, including any medical or travel insurance.

12. Refund Policy

I acknowledge that I understand and accept the refund policy as outlined below, and no refund request will be accepted after 5:00pm on 11 January 2021. If you withdraw from an event after your entry has been accepted, any refund of registration fees and/or sport fees will be made only if your application is received on the official Refund Request form at the Games office no later than 5:00pm on 11 January 2021. Any refund of fees will be subject to the deduction of a \$15 administration fee. The refund policy will be applied in every case without regard to the reason for any withdrawal. No refunds will be issued if sports are cancelled due to adverse weather conditions. Fees are not transferrable from one participant to another.

13. Cancellation of Events

I acknowledge that the Organisers will not be held accountable or responsible, in the instance of an event cancellation, for any other fees incurred for my planned participation at the NZMG, including but not limited to airfares, accommodation, uniforms and applied annual leave of employment.

14. Accreditation

Every individual participant and supporter is required to check in personally at the Games Hub to obtain their official accreditation as well as individual sport information, Games bag etc, before competing in any event. Accreditation may have to be produced at the sports venue before permission to compete is granted. Official accreditation must be produced to gain access to the Games Hub for evening entertainment. Accreditation is not transferable. Any individual attempting to gain access to any sport or the Hub with false or someone else's accreditation will have it confiscated and be expelled from the Games.
