

Date: Tuesday 8 February – Thursday 10 February

Contact: Stephen Clarke, 021 182 8222, dmsc.events@gmail.com

FACILITIES:	Moana pool has changing room facilities with toilets and showers. Large seating section to view racing. There is free car parking available at the pool however the car park can quickly fill up during competitions. Limited disability parking is available at the front of the pool complex. A lift is available to get to the pool deck.
MEDALS:	Medals can be picked up from the medal desk once results are official. Medals will not be posted to you. Unclaimed medals will be available from Friday 11th February at the Masters Games office following competition if unclaimed at Moana Pool.
DIRECTIONS:	Moana Pool is located on the corner of Stuart St and Littlebourne Rd, a short distance from the centre of Dunedin, the Octagon, and within easy walking distance. A bus service does run past Moana Pool travelling up Stuart Street.
PROGRAMME:	<p>Programs will be available online and may be emailed to competitors prior to competition starting. Please do not expect an individual hard copy of the program.</p> <p>Warm up is 30 minutes before competition starts. Session one Tuesday 8th February at 5:30pm-6pm, session two, Wednesday 9th February at 5:30pm-6pm and session three, Thursday 10th February at 5:30pm-6pm. Lane 8 is designated for dive start practice.</p>
FIRST AID & SAFETY EQUIPMENT:	Moana Pool has appropriate first aid equipment such as first aid kits and defibrator.
REFRESHMENTS:	There is no food or cafe at Moana Pool nor is there any within easy walking distance. Competitors should bring their own food/snacks. Filtered water is available at poolside.
SPORTS SPECIFIC INFORMATION	<p>Pool entry is included in your sports fee. Remember to bring your registration label. Spectator entry to Moana Pool is free.</p> <p>Results will be displayed/posted when official.</p> <p>Electronic timing will be used with manual backup. Over the top starts maybe used. This means the competitors in a completed race should remain in the pool not touching the timing pads, until the next race starts before exiting the pool. A six-lane competition may be used depending on the number of entries.</p> <p>Late entries will be accepted after 21st January 2022 in exceptional circumstances by contacting S Clarke, Swimming co-ordinator, and will not be accepted once the program has been finalised on 1st February 2022.</p> <p>NZ registered masters swimmers are able to break and establish NZ records however world records cannot. If you think you may break a NZ record please inform the chief timekeeper.</p>
