## WELCOME TO THE GAMES

The Otago Community Trust New Zealand Masters Games are back and they're bigger than ever!

The 35th annual Masters Games will be held in Ōtepoti Dunedin from February 3-11. Over nine days and nights, an estimated 5,000+ people from around New Zealand, Australia, and the globe will come together to enjoy Aotearoa's largest annual multi-sport event. Will you be one of them?

This will be the 16th year Dunedin hosts the Games and we look forward to welcoming back familiar faces and introducing newcomers to everything the event has to offer. You don't need to be an elite athlete to enter – the goal of the Games is to encourage participation in sport, no matter a person's age or ability. While some participants aim for a place on the podium or to improve their personal best, for others it's an opportunity to catch up with friends and enjoy the social side of things.

Medals are awarded in each sport, in different age categories and, in some cases, both social and competitive grades, so go for gold – or just compete for fun. Whatever your reason, make sure you're part of the action in 2024!

### What Makes A Master?

At the Masters Games we have participants ranging in age from 18-years old to 95 and beyond. Each sport has a different minimum age at which someone is considered a master and it might be younger than you think!

For example, did you know that in Swimming you're a master at 20 and for Ice Figure Skating it's just 18. In most sports you're a Master by the time you turn 30, so make sure to check out your sport to see if you're eligible.

### Sports for Everyone

With more than 60 sports on offer – and more than 300 separate events – there are loads of activities to choose from. From running to jumping, kicking to shooting, we have it covered. And in 2024 we're introducing three new events: Pickleball, Jigsaw Racing and Cowboy Action Shooting. Yeehar!

Whether you're an experienced athlete, returning to a previously loved sport or an enthusiastic beginner – we know you'll find your place at the Masters Games.

**Check out the full list of sports on pages 6 & 7.**

## The Hub of the Games

The Masters Games is as much about the social events as it is about the sports and in 2024 we're going old school, with our Games Hub returning to everyone's favourite, the University Union.

Throughout the Games the Hub will play host to some sports and medal ceremonies. And, of course, there'll be day and night action,

making this as much fun for spectators as Masters.

Partygoers can head to the Hub each evening to check out the top entertainment, take to the dance floor or catch up with mates. With an amazing line-up of entertainment throughout the week, each night is an event in its own right!

## Fun Events

As well as traditional sports we have several Fun Events on the schedule. If you think you can tell a Sauvignon Blanc from a Pinot Gris, want to have a go at Petanque, or try your hand at a lesser-known sport such as Cornhole – add a Fun Event to your entry.

Fun Events give you the opportunity to try new sports, test out different skills and they're great social occasions to compete with (or against!) your friends. While medals are still hotly contested, the fun factor is what matters most in these events.

Look out for the Fun Events icon to identify these events.

## Para Events

In 2024 we have several Para Masters grades in some of the existing sports events. These events offer athletes that have an impairment the option to compete in the Masters Games in a Para division. Sports on offer include Archery, Athletics - Track and Field, Petanque, Cornhole, Darts, Power Lifting, Indoor Rowing, Swimming and Indoor Triathlon.

Look out for the Para icon to identify these events.

## Volunteers

Want to be a part of the fun but not keen to compete? Why not join our team as a volunteer! Volunteers are essential to the Games and play a vital role. Without you, the event wouldn't go ahead.

Come along and share your life skills or gain additional work experience all while enjoying the fun of being part of the team.

If you aren't competing or have time outside your sports schedule to help, we'd love to hear from you. Visit [www.nzmg.com](http://www.nzmg.com) or email [dunedin@nzmg.com](mailto:dunedin@nzmg.com) for more information.

## WELCOME TO ŌTEPOTI DUNEDIN

The 2024 Otago Community Trust New Zealand Masters Games will be held in Ōtepoti Dunedin.

Tucked into a sheltered harbour on the east coast of New Zealand's stunning South Island, Dunedin is a city rich in heritage and renowned for its wildlife, distinctly quirky character and beautiful natural surrounds.

As well as being a UNESCO City of Literature, Dunedin is famed for its musicians, artists and fashion designers and is also home to New Zealand's rarest and most fascinating wildlife. We highly recommend exploring some of the many acclaimed attractions on the Otago Peninsula and neighbouring areas.

A natural playground for outdoor pursuits, the city also has excellent walking tracks, cycling and mountain biking trails and water sport options.

Dunedin is a compact city full of excellent eateries, bars, galleries and cultural institutions, offering plenty of entertainment and hospitality options for Masters Games participants and companions to enjoy, including a number of craft breweries.

Why not book a few extra days before or after the Games and immerse yourself in all that Dunedin has to offer. We look forward to welcoming you to our great small city.

#### 7. Age Policy

You must have attained the minimum age for any sport or class that you have entered or may yet enter, by any qualification date which has been stipulated in the Entry Guide or published on the NZMG website. In the absence of any age qualification date you must, by 1 February 2024, have attained the nominated minimum age for competition in any sport or sports or in any class or classes that you have entered or may yet enter. Your failure to produce acceptable evidence of your age if and when you are requested to do so by NZMG or The Sport may result in your disqualification from an event or from NZMG.

#### 8. Suspensions

You acknowledge that in the event that you are subject to any suspension or ban imposed by any sport in which you are entering, you will make such information known to NZMG and The Sport. Your entry may be refused or cancelled by The Sport due to any suspension or ban.

#### 9. Drug Policy

You agree with NZMG's policy of condemning the use of classified substances and methods for the purpose of performance enhancement. NZMG recognises that some classified substances may be medically prescribed and that the use of these substances may be permitted on the supply of suitable medical evidence.

#### 10. Promotional Material

You acknowledge and consent to photographs, electronic images and recordings being taken of you during participation in the event. You acknowledge and agree that such photographs and electronic images are owned by NZMG and may be used for promotional or other purposes without your further consent, payment and/or compensation. Further, you consent to Organisers using your name, image, likeness, voice and results in the event, at any time, by any form of media and/or publication, to promote the event.

### 11. Collection of Information

You understand Information is collected and held by NZMG. Information collected will be forwarded to the individual entities organising Games events. Your name and contact details may be forwarded to the organisers of NZMG in Dunedin, who may use them for direct mailing purposes. You have the right to request access to and correction of any personal information held by NZMG. Please also see NZMG Privacy Statement.

### 12. Refund Policy

You understand and accept the refund policy as outlined below, and no refund requests will be accepted after 5:00pm on 11 January 2024. If you withdraw from an event after your entry has been accepted, any refund of registration fees and/or sport fees will be made only if your application is received on the official Refund Request form at the Games office no later than 5:00pm on 11 January 2024. Any refund of fees will be subject to the deduction of a \$20 administration fee. The refund policy will be applied in every case without regard to the reason for any withdrawal. No refunds will be issued if sports are cancelled due to adverse weather conditions. Fees are not transferrable from one participant to another. Should the NZMG be cancelled due to COVID alert level restrictions fees paid will be refunded less a \$20 administration fee.

### 13. Cancellation of Events

You acknowledge that the Organisers will not be held accountable or responsible, in the instance of an event cancellation, for any other fees incurred for your planned participation at the NZMG, including but not limited to airfares, accommodation, uniforms and applied annual leave of employment.

### 14. Accreditation

Every individual participant and supporter is required to check in personally at the Games Hub to obtain their official accreditation as well as individual sport information, Games bag etc, before competing in any event. Accreditation may have to be produced at the sports venue before permission to compete is granted. Official accreditation must be produced to gain access to the Games Hub for evening entertainment. Accreditation is not transferable. Any individual attempting to gain access to any sport or the Games Hub with false or someone else's accreditation will have it confiscated and be ejected from the Games.

Please note that all prices are in New Zealand dollars.
